

Description – Build Your Wild Self

<http://www.buildyourwildself.com/>

Go to the website above.

1. Choose 'girl 'or 'boy' – then choose from each of the tabs.

The animal part you chose will make that animal's sound and the site will print out an explanation of each animal you have used - when you're done.

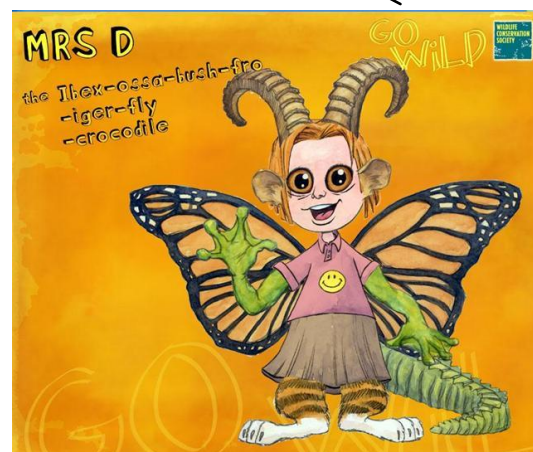

Don't forget to choose a BACKGROUND

2. When you have finished creating, enter **YOUR NAME** and click **"I'M DONE"**.

3. READ "What's wild about you" by scrolling down.

4. Click **PRINT** to get a better look at your finished creature.

5. Click **PRTSC** (printscreens) and paste into MSWord or MS Paint so you can edit your image and save it in your folder.
