

How to use Wordle - Examine and Extend Vocabulary

www.wordle.net

Go to the website above.

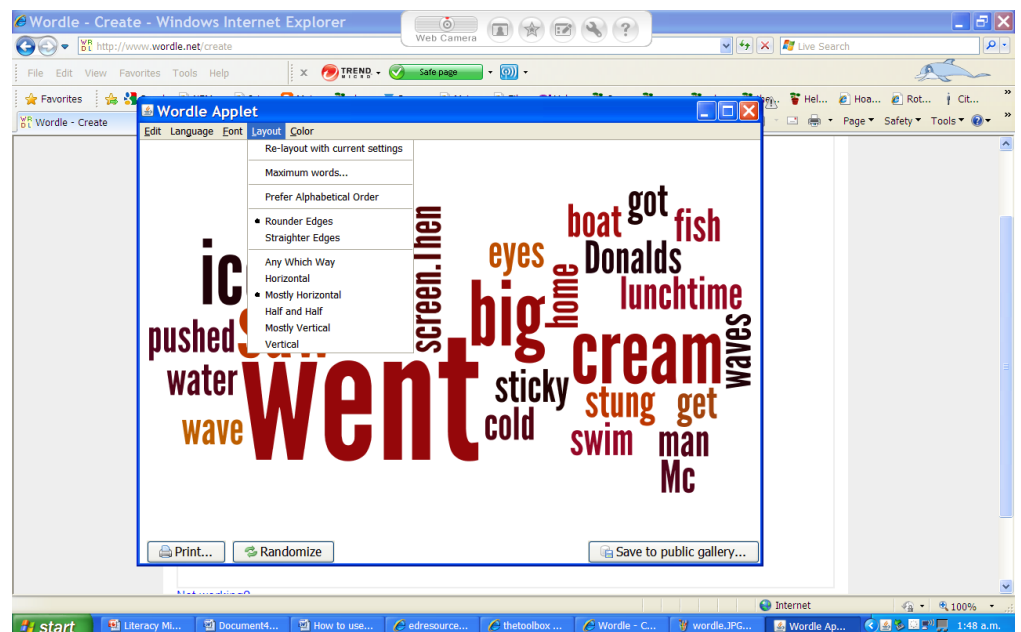

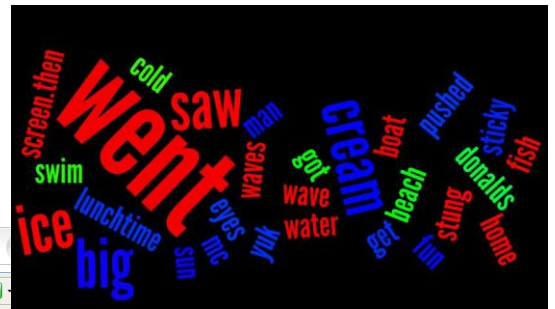

1. Type or paste in a bunch of text.

2. Click "Go"

3. Choose the language, font, layout and colour from the tabs.

4. Click **PRTSC** (printscreen) and paste into MSWord or MS Paint so you can edit your image and save it in your folder.

Paste in stories or poems, identify over-used words, brainstorm ideas, use as a visual word graph ...
