

How to use "YOUTUBE" – to Share Videos

<http://www.youtube.com/>

Go to the website above.

1. Create an Account to save all your videos in one place.
2. Once you are a member click "Sign in"

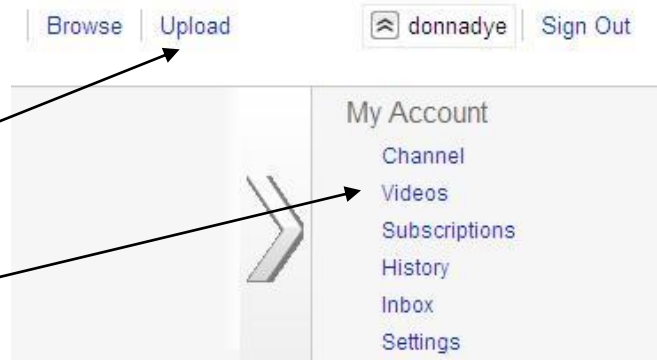

3. Click on "UPLOAD" to upload a document - from your own files.

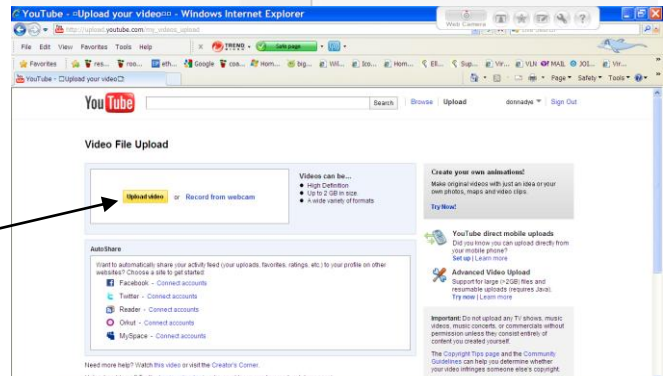

Click on **Videos** to see all the Videos

YOU have uploaded previously.

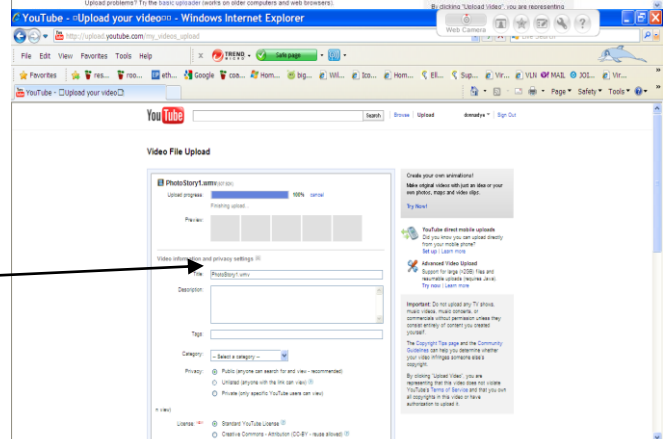

4. Click on the **Upload button** and **Browse your files** to select the Video or Photostory direct you wish to upload >

5. When your Video has uploaded >

Choose a **Category** from the drop down menu, add a **title**.

TIP> Only add tags and a brief description – IF you want it viewed often in YOUTUBE.

How to use "YOUTUBE" – to Share Videos

Video File Upload

6. The uploaded video will appear at the top of the page. Click on the link to view it and get the **EMBED CODE**.

7. Watch the video to check it. Click on "Share" to find the **Embed code**.

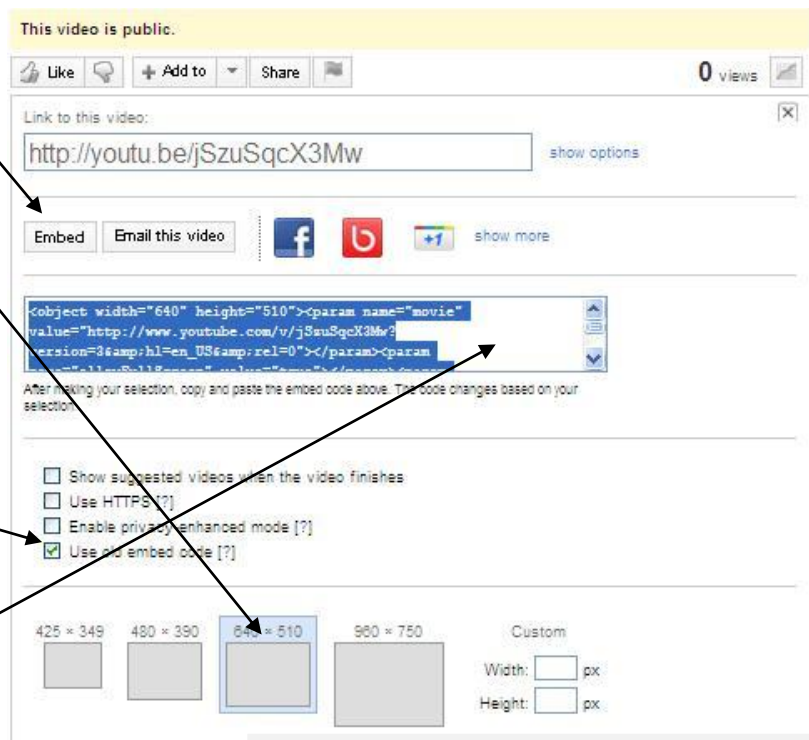

8. Then Click the **EMBED Button**.

Select the **size player** you want.

TIP > Tick **ONLY** in the box "Use **old Embed Code**".

THEN COPY the **EMBED CODE** and paste code in your online site.
